GARSEF
GREATER AUSTIN REGIONAL SCIENCE AND ENGINEERING FAIR

Are you interested in participating in a Science and Engineering Fair?!🌟

Do you like exploring science, math and engineering? Have you wanted to investigate a problem, or ever thought "what would happen if...?

The **Greater Austin Science and Engineering Fair (GARSEF)** is excited to invite middle and high school students to join in the fun this year!

📽️ Watch our short "See What Happens!" video on our website homepage!

What's expected from students:

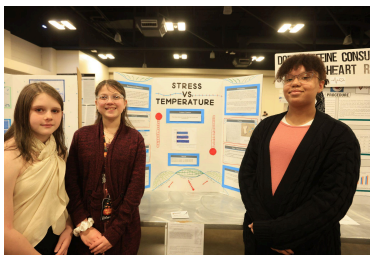

- Come up with a topic or idea you want to explore
- Find a Teacher Sponsor at your school by **September**
- Create an account in STEM Wizard, our on-line system, by **Oct. 14**
- Obtain approval for your project research plan and fill out paperwork by **Nov. 18**
- Conduct your experiment/engineering design and collect data
- Complete your project and submit all required forms by **Jan. 15**
- Participate in your school fair/complete qualifying requirements determined by your school by the closing of registration on **Jan. 21**
- Upload your virtual exhibit board by **Feb. 5**
- Qualifying projects participate at **GARSEF** at the Palmer Events Center **Feb. 17-18**
- Top category winners qualify for the Texas Science and Engineering Fair **Apr. 2-3**
- Best of Fair finalists qualify for the International Science and Engineering Fair **May 8-14**
- Enjoy science and have fun learning! 🎉

Interested?

- See our Jr/Sr Information page and Jr/Sr Student Checklist for more details.
- Email JRSRstaff@austinscience.org to get started or for more information.
- Home school and students at non-participating schools email JRSRstaff@austinscience.org

We're excited to bring this opportunity to students interested in exploring science and engineering! 💡
